## “Welcome Counter at Frankfurt Airport”

### *Reception and Chauffeur Service for Guests, Visitors, Staff*

Frankfurt hospitality with an international flair – that’s what we are offering you with our new Welcome Counter at Frankfurt Airport. In cooperation with the European Office of the City of Frankfurt and the Hessen Ministry of Commerce, we opened the counter on 31 March 2003 directly in Terminal 1. Our first guest was Mr. Bruce Rector, President of the Junior Chamber International (JCI).

We can also greet your guests here, help them claim their luggage and give them information on all there is to know about Frankfurt and the surrounding area. We will then chauffeur your visitors and staff carefully to their destination.

### *We ensure that your guests arrive in a good mood and a relaxed frame of mind.*

Boris Kamp from IM2S will be pleased to meet you to discuss your individual welcoming arrangements more closely.
